## VIRTUES, EXPLAINED!

### Faith

#### Mini Explanation

The virtue of faith is “man’s response to God, who reveals Himself and gives Himself to man.” (CCC 26). Faith is encouraged by the complementary virtues of hope and love, and through the gift of understanding our faith grows and strengthens.

#### Faith, Explained!

“Nobody reaches God’s presence until he has learned to believe that God exists, and that He rewards those who try to find Him.” (Hebrews 11:6).

So how do we learn to believe? Through the theological virtue of faith - which is “man’s response to God, who reveals Himself and gives Himself to man.” (CCC 26). Faith, then, is embarking on the journey to find God. By faith “man freely commits his entire self to God.” For this reason, the believer seeks to know and do God’s will. (CCC 1814).

But it is not enough for faith to simply be within us, as a lit match in a dark room. We are compelled to fan those flames. We must encourage them with the complementary virtues of hope and love, and we must ask the Holy Spirit for the gift of understanding so that our faith will grow and strengthen.
