## ENURE THAT GOVERNOR HOCHUL FOLLOWS THROUGH FOR SCHOOLS & CHILDREN

Starting 2027, the new **Federal Scholarship Tax Credit (FSTC)** will let taxpayers redirect up to \$1700 of their federal income taxes to non-profit scholarship organizations that provide tuition assistance for students in Catholic schools and support for support for many services for students in public schools. If New York participates, it can generate hundreds of millions of dollars in additional funds to support the educational needs of New York's children.

Although Governor Hochul has already announced her intention to **opt-in to the program**, she won't make a final decision until she considers the federal regulations that are still being developed. It is vitally important that the Governor know how important this FSTC is to you and that you are counting on her to follow through and officially opt-in to the program.

Go to <https://www.nyscatholic.org/action-center> to encourage Gov. Hochul that you support NY State's participation in this program.

## GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

August 30, 2026

Twenty-Second Sunday in Ordinary Time

Matthew 16:21-27

Do you know what it's like to be thrilled by the power of Christian faith one moment and then utterly fail in it the next? I do. That is Peter in today's Gospel. After last week's bold confession, he now hears Jesus speak of suffering and death, and something in him recoils. He takes Jesus aside and tries to correct him. Jesus responds with the shocking rebuke, **"Get behind me, Satan."**

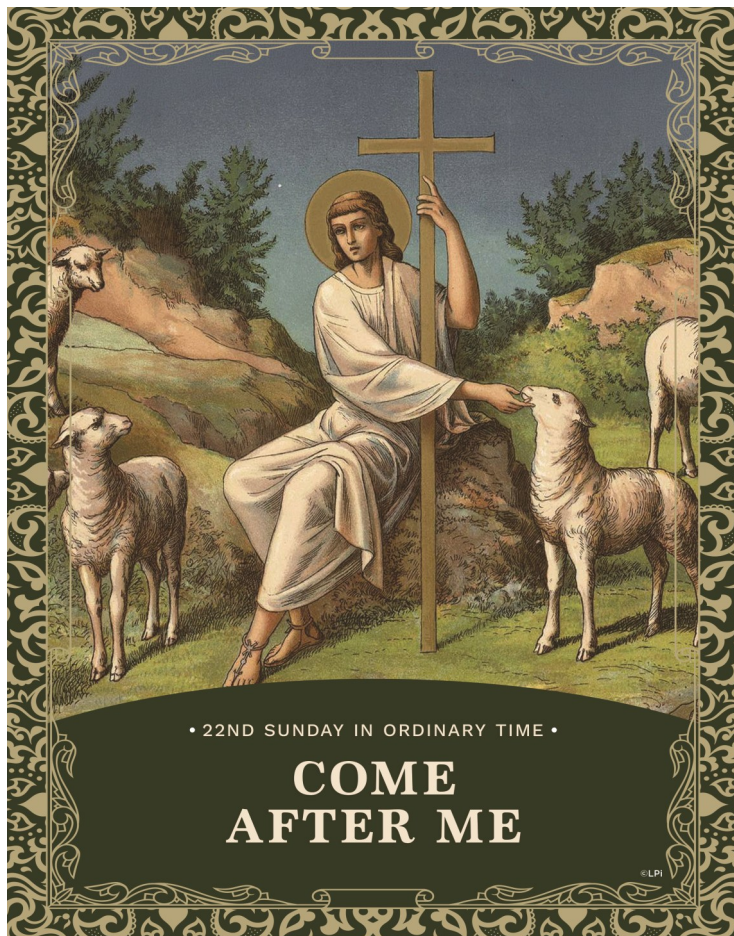

Peter is the mirror of every disciple. We love Jesus until He contradicts the script we have written for our lives. Peter does not reject Jesus. He rejects a *suffering* Jesus. So do we, whenever we avoid a hard responsibility, resist a demanding relationship, or cling to comfort instead of choosing love. We want a Lord who supports our plans, not one who overturns them.

Yet Jesus does not discard Peter. He redirects him. **"Whoever wishes to come after me must deny himself, take up his cross, and follow me."** In effect, Jesus says, stop trying to lead me. Let me lead you. Discipleship does not begin with heroism or clarity but with surrender. It means trusting that God's path to life often passes through places we would never choose.

Peter is all of us. We move from insight to confusion, from confidence to correction. That is why we should have hope. Jesus patiently teaches us again and again. Trust me. Get behind me. Follow me. When we stop fighting the crosses that come and start carrying them with Him, we discover a freedom deeper than comfort and a love stronger than fear.

## VIRTUES, EXPLAINED!

### Zeal

#### Mini Explanation

Virtuous zeal refers to an all-consuming love, which has for its object the Lord Himself. Closeness with God is impeded by anything contrary to the teachings of Jesus Christ, so no person can be “zealous” for God if they are violent or hateful.

#### Zeal, Explained!

Zeal gets a bad rap these days, as we most often hear this word associated with extremists whose adherence to a belief system leads them to violence. In Scripture, we hear Paul condemn those whose “zeal for God” lacks discernment (Romans 10:2), so we know this was a problem in ancient times as well.

But no one acting in violence or hatred is practicing virtuous zeal, which refers to an all-consuming love for the Lord: “Zeal for your house has consumed me,” writes the Psalmist (Psalm 69:10), referring to a religious devotion that has deprived him of all his worldly status.

If anyone’s “love” of God leads him to sin, he is not actually motivated by love of God. A burning and all-consuming love of God has, for its object, God Himself - and closeness with God is impeded by anything contrary to the teachings of Jesus Christ.
