## VIRTUES, EXPLAINED!

### Hope

**Mini Explanation** - Christian hope "is the theological virtue by which we desire the kingdom of Heaven and eternal life as our happiness" (CCC 1817), even as we recognize that our own strength and merit can never achieve this. Hope, simply, is remembering that God keeps His promises.

### Hope, Explained!

"Hoping against hope, he believed, and thus became the father of many nations." (Romans 4:18).

This is how Paul describes the hope of Abraham, who allowed himself to believe in and wish for what seemed like an impossible thing - all because it had been promised to him by God. In this same way, Christian hope "is the theological virtue by which we desire the kingdom of Heaven and eternal life as our happiness" (CCC 1817), even as we recognize that our own strength and merit can never achieve this.

Hope, simply, is remembering that God keeps His promises.

A desire for happiness is a seed planted by God in each heart. The virtue of hope pours down like rain to nourish that seed, but a barrier has been created by original sin. The Holy Spirit removes the barrier, allowing the hope to pour forth upon the roots of our sprouting happiness in great abundance.
