

Dear Parent(s) or Expectant Parents:

Congratulations! This letter is being written for parents (and expectant parents) who wish to have their child baptized at St. Louis R.C. Church.

As a result of Vatican II, the General Council of the Church (1962-1965), the emphasis of the Sacrament of Baptism has changed. Baptism and all the Sacraments are celebrations of real life events. They are visible signs pointing out, declaring, proclaiming that something real exists beyond the celebration and is the cause of our celebration. Jesus is the cause for our celebrating the fact that God is our Creator and loves us beyond our wildest expectations. We celebrate because Jesus chose to die on the Cross, then rose from the dead to give us the gift of the Holy Spirit, the gift of Divine Life itself.

Baptism is the external sign celebrating the entrance of a person into the total Christian Community as well as into a specific parish family. Parents, Godparents, the rest of the family and parish family together say:

“We accept you and responsibility for you. We will be with you on your journey. We believe that by becoming a member of our Catholic Faith Community, you will have new life, because we promise to love you and care for you just as Jesus does. You are one of us, our relative as truly Jesus is.”

When Jesus died and rose from the dead, He promised that we would follow Him. He is not only our Brother, but also our Leader, showing us the way. Just as He died, was buried, and rose again to a new life, so we imitate His actions in Baptism. We plunge into the Paschal (Easter) mystery of His death and Resurrection passing over to a new life in a new community.

Even though the child does not realize this connection and the saving power of Jesus, the Parents, the God-parents and the Community should. (see Romans 6:3-4)

It follows, then, that if we are celebrating a reality, that reality should exist. The reality being celebrated at Baptism has to do with a real welcome into the family of God in the Christian community. Each one of us shares some responsibility for this new person. Baptism is a beginning, but it presumes there will be a continuation of what was celebrated.

**THE REALITY THAT SHOULD EXIST IS; A PRACTICING CATHOLIC FAMILY LIFE
TOGETHER WITH PARTICIPATION IN A CATHOLIC PARISH FAMILY.**
